Deaton Fleet Solutions

Deaton Fleet Solutions is the most desirable place for truck service, tires, parts, and maintenance in the Southeast. We provide quality service and have a reputation for standing behind our workmanship by employing highly motivated and well-trained teammates that have the drive to stand out above the rest.

Deaton Fleet Solutions is an extensive network of mobile service units across five states (GA, TN, SC, NC, MS) and 4 repair shop locations to tackle your toughest jobs. We are committed to providing the best truck maintenance services with high-quality products to keep you moving while minimizing your downtime and maximizing your profitability.

“Our customers know the level of service they will receive and that keeps them returning. We pride ourselves on our extensive knowledge base and experience. It allows us to add value to our service, integrity to our name and results that our customers can trust.” – Coy Deaton
