
About Us

Managed mobile

Managed Mobile is the superior brand for mobile fleet maintenance in California and Las Vegas. We service more than 450 commercial fleets in LA County, Orange County, the Inland Empire (San Bernardino and Riverside Counties), Northern California in Sacramento, and our newest locations in Las Vegas and San Diego.

Success in business demands that your fleet is safe, compliant, and reliable. This is our sole focus and mission at Managed Mobile. Clients trust us with their fleet maintenance to gain these competitive advantages and to free them to spend their time, focus, and resources on their core business.

We serve businesses and organizations that operate commercial fleets, from light-duty gas automotive vehicles to medium and heavy-duty diesel trucks, trailers, and equipment.
